

## Service Opportunities in The City

**Austin Disaster Relief Network** – *We believe we can be an asset to the body of Christ by organizing and mobilizing their resources so they can effectively and efficiently focus on the people affected by tragedy. By working together, we believe lives will be transformed in the name of Jesus Christ. Contact Jim Ebbitt (jimebbitt@yahoo.com)*

**Bridges of Grace-Adoption & Foster Care Ministry** – *Bridges provides helpful information, education, and valuable resources about adoption and foster care. We also bring to light the plight of orphans (domestic and international), and we promote God's command in James 1:27 to serve the fatherless. Contact Matt Kouri (kouri@austin.rr.com)*

**Mission: Possible** – *The goals of Mission: Possible are to give the greater Austin area Body of Christ opportunity to serve in their own community & show God's love to others; to give at risk children a place to thrive and overcome obstacles by providing them an environment that offers love and support; to provide the Austin Street community a place to worship and connect to the Body of Christ; and to make available community service programs that provide basic home repairs, wellness services, youth development, and adult development opportunities.
