

## Sermon Questions - July 19, 2020

1. In what ways do you see God expressing His sovereignty during the exile and return period of history?
  
2. Read Jeremiah 29:10-14. If you were totally convinced that God is sovereignly in control of our chaotic world right now, what adjustments, in attitudes or actions, do you need to embrace in how you are living during these days?
  
3. Look at three characteristics of a person who is part of the remnant:
  1. Love - They choose to love God more than this life.
  2. Obey - They choose to show their love for God through obedience. They want to obey what God says to do.
  3. Serve – They choose to step in and serve God by helping build His kingdom.

Which of these do you need to address to improve your heart condition?

What steps do you need to take this week?
