

**The following questions correspond the Why Do We Exist sermon from Sunday, November 3. To catch up on the entire Q Series visit [grace360.org/q-series](http://grace360.org/q-series).**

1. Why does Grace exist? To glorify God by building people to become disciples, and we define being a disciple as becoming more like Christ in all of life. How have you seen people of Grace become more like Christ in all of life?
2. Matthew 28:18-20. In verse 19, what does Jesus call us to do to all nations?
3. What is a disciple? To be a disciple is to be LIKE someone. When a teacher or leader would make you his disciple, you would find yourself copying their life habits. How are you being a disciple by becoming more like Christ in all of life?
4. Read Ephesians 4:11-13. To make disciples is the purpose of the Church. What is the purpose of "His people", and what role do we play in fulfilling the purpose of the Church?
5. The goal at Grace is to empower and equip. How are you investing in people who are "your people," your spiritual family? How do you or could you spend time with other believers that is purposeful for teaching and mentoring?
6. How are you applying discipleship at Grace?
  - UP: Investing in your personal relationship with God. Are you coming to church every Sunday? What keeps you from coming to church? Worshiping on your own?
  - IN: Investing in community with other Christians. How are you or could you be involved in a Community, Course, mid-week gatherings, Bible study, etc.?
  - OUT: Investing in people who aren't Christians. Who has God placed in your life (work, neighborhood, activities, school, etc.) who doesn't know Jesus? How can you reach out to pray for, care for and share Jesus with them

Which one could you start doing this week? How can you create more balance in your life?
