Matthew 4:1-11

2. Read Matthew 4:1-11. What does Satan tempt Jesus with in this passage?

4. Read Matthew 4:1-11 a second time. How does Jesus choose to respond to Satan's temptations?
5. Read Hebrews 4:15. Because Jesus has faced great temptation, he is able to empathize with us in our battle. How should this truth affect your daily fight against temptation?
6. This week, as we take comfort from our Savior who has been tempted like us, what disciplines will you put in place to pursue righteousness in the midst of great temptation?
