

GENEROSITY ROADMAP

PRAY AND SURRENDER.

Ask the Lord to search your heart. Acknowledge that everything you have belongs to Him, and invite Him to shape your trust, priorities, and generosity.

MAKE A PLAN.

Determine a specific amount or percentage you will give. Decide before God and write it down. Planned generosity helps align your finances with your faith.

PRIORITIZE THE LOCAL CHURCH.

If Grace Covenant Church is your church home, make your giving here a regular first commitment. This strengthens the worship, discipleship, care, and mission we share together.

ESTABLISH A RHYTHM.

Give consistently, whether weekly, monthly, or according to how you receive income. Consistency forms habits of trust and allows our church to plan ministry responsibly.

REVIEW AND GROW.

Review your giving regularly. As God provides and your faith matures, consider whether He is inviting you to grow in generosity.

SEEK HELP IF NEEDED.

If finances are tight, you are in debt, or you need help building a plan, reach out. Our church can provide counsel, help you build a budget, and walk with you as you take the next faithful step with wisdom and grace.
